

MP SERIES

Geared Traction Machine

Static Load (kg)
3800

Gear Ratio
1/49, 1/59

Oil Capacity (Ltr)
4.5

Brake Voltage (DC)
110V, 220V

Weight of Machine (kg)
367*

* Weight of machine is varies according to selection of sheave, Motor.

Geared Traction Machine

Listed loads don't include the rope's weight.
In order to know the net loads capacity, subtract rope's weight from the listed loads.

Position of the gearbox Up
Counter weight 50%
Plant efficiency 0.80
