

GEARED

TRACTION MACHINE

Dumbwaiter HEN-06 Drum Type

**Static Load
(Kg)**
700

Gear Ratio
1/49

Brake Voltage (DC)
190V

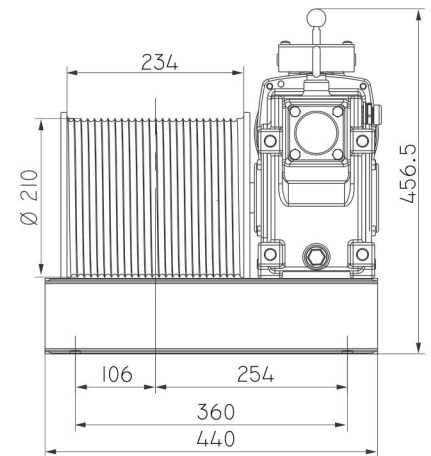

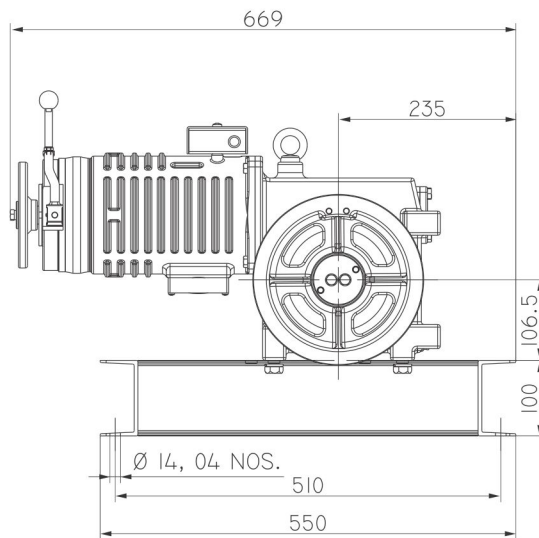

Oil Capacity (Ltr)
0.5

**Weight of
Machine (Kg)**
98* (With Bed Plate)*

* Weight of machine is varies according to selection of sheave, Motor & Drive system.

(All dimensions are in mm)

Geared Traction Machine

Listed loads don't include the rope's weight.
In order to know the net loads capacity, subtract rope's weight from the listed loads.

Position of the gearbox Up
Counter weight 50%
Plant efficiency 0.80
